

THE INTELLIENT ACADEMY

UNRIVALED HYPERION TRAINING

The Intelligent Academy provides its clients with comprehensive product training that gives them the knowledge and skills to derive greater business value from their Hyperion solutions. After leaving the Intelligent Academy, users are thoroughly equipped to optimise the performance of their Hyperion business intelligence and performance management applications. The training also enables the participant to prepare for certification examinations on Oracle Hyperion software.

Key Benefit

Achievement of clients' strategic business objectives through effective utilisation of Hyperion applications.

How Do We Do It?

The business environment has become more competitive and value-driven, business professionals requiring to build their skills and knowledge more quickly and effectively than ever before.

Our training aims to do just that. It's flexible and adaptable to any size organisation

Three Options

Classroom Education — Public event

Intelligent Academy's instructor led training courses are available at its well-equipped Bedfordview, Johannesburg training facility.

Onsite Education — Private event

Minimise travel and accommodation cost whilst quickly training your entire project team or user community with onsite courses featuring the same high quality courseware and skilled instructor as found in our classroom environment.

Custom Education

Since every organisation is unique, the Intelligent Academy offers a suite of customised education solutions that can be tailored to our clients' goals, business processes, technologies and user training needs.

Why Intelligent Academy?

Intelligent is the only SA provider of Oracle approved Oracle Hyperion training courses.

Intelligent is a leading provider of software solutions and services specific to Oracle products. Our curriculum combines intensive, hands-on instructor led training with self-paced computer training and custom learning solutions. Thus, our clients to receive the right training at the right time.

Our expert instructors provide critical product knowledge and helpful business strategies, using a combination of lectures and hands-on exercises.

And, of course, we're absolutely committed to our clients' success. Intelligent Academy strives for nothing less than total client satisfaction. Our unrivaled service, flexibility and quality instruction across 14 Hyperion applications makes us a leader in the field. Intelligent Academy has been training on Hyperion applications across Africa for more than ten years.
